## **MLSC Government & Public Interest Interview Program**

**October 1 & 2, 2020: Virtual**

**The Massachusetts Law School Consortium**, an association of accredited law schools, invites you to participate in the **MLSC Government & Public Interest Interview Program**, which will be held virtually this fall. Each year public interest and government employers take advantage of this opportunity to either interview students from the eight ABA Massachusetts law schools or solicit resumes from interested students.

If you would like to conduct virtual interviews in October or solicit applications from students, please complete the attached registration form and return to the program coordinator. You may also register online through the MLSC Symplicity site at <https://law-suffolk-csm.symplicity.com/employers>.

If you choose to conduct virtual interviews on October 1 and/or 2, the consortium schools will advertise your organization and opportunities to its students. Application materials from interested students will be sent to you electronically for pre-selection. The program coordinator will then arrange an interview schedule for your organization for one or both days of the program. Interviews will be managed and hosted by your organization on the virtual interview platform of your choice. Assistance with hosting the interviews can be provided if needed.

If you are unable to interview students on either date of the program but would like to solicit resumes, please complete the Resume Collection only portion of the enclosed form. Complete the Apply Directly portion if you prefer to have students send their materials to you directly.

The Consortium is still deciding on the dates and format for a **January MLSC Government & Public Interest Interview Program**. More information on that program will be forwarded at a later date.

If you have any questions, please do not hesitate to contact **Michelle Dobbins** at [mdobbins@suffolk.edu](mailto:mdobbins@suffolk.edu) or 617-305-1674.
