MLSC Fall 2026 Government & Public Interest Recruitment Program

The Massachusetts Law School Consortium, an association of accredited law schools, invites you to participate in the Fall 2026 Government & Public Interest Recruitment Program. Each year public interest and government employers take advantage of this opportunity to recruit students from the eight ABA-accredited Massachusetts law schools for internships and post-graduate positions.

If you desire to receive applications from students interested in your organization, the consortium schools will advertise your organization and opportunities to its students and requested application materials from interested students will be sent to you electronically. You may select and interview applicants upon receipt or the program coordinator will arrange a virtual interview schedule for your organization for one or both days of the program - **Tuesday, October 6 and/or Wednesday, October 7, 2026**. Interviews can be hosted by your organization on the virtual interview platform of your choice or we can host on Symplicity if needed.

You can register by completing the [registration form](#) and returning it to mdobbins@suffolk.edu or by submitting your registration online at <https://law-massconsortia-csm.symplicity.com/employers>. **Please register by July 31.**

The Consortium is also planning our annual Winter MLSC Government & Public Interest Recruitment Program to be held on January 28 & 29, 2027 and to be managed by [Ethan Carr](#) at Boston University School of Law. Applications for that program will be forwarded in early December. More information on the winter program will be sent at a later date.

If you have any questions about the fall program, please do not hesitate to contact [Michelle Dobbins](#).
