Dear Employer:

The Massachusetts Law School Consortium invites you to participate in its 2014 National Recruitment Program (NRP), designed to make your visit to Massachusetts more productive. By participating, you will be able to interview well-qualified students from all eight ABA-accredited Massachusetts law schools in one visit, expanding the diversity of your recruitment efforts. As part of the NRP, we will also be conducting a Northern New England Recruitment Program on September 10, 2014 at Suffolk University Law School.

If you already are scheduled to interview at Harvard Law School, you may schedule interviews with Consortium students the day before or the day after your scheduled visit. Alternatively, we can coordinate another interview date for you at your convenience. The interviews can take place at Suffolk University Law School in downtown Boston or at an area hotel.

If you choose to participate in the MLSC National Recruitment Program, resumes from the eight law schools will be forwarded to you at least two weeks in advance of your scheduled interview date so you may pre-select the students you wish to interview. Scheduling for the National Recruitment Program will be handled by Michelle Dobbins, Associate Director for Recruitment and Marketing, at Suffolk University Law School.

Interviews will begin on August 12 and run through October 24, 2014 for the NRP, or on September 10, 2014 for the Northern New England Recruitment Program. If you wish to participate, please fill out one of the Registration Forms and return it to Suffolk Law School as soon as possible along with your \$100 registration fee. For more information, please contact me at 617-305-1674.

Thank you for considering this great recruitment opportunity. We look forward to your participation.
